When they come like left for day
I bet not in my head
And now I wanna be bigger, bein here with you
Its not so hard to be
I can see in my dream, i know Im gonna be better
My friends always say

[hook]
My friends always say..ey..ae.
That every thing will be ok
But it dont always work out that way
Show in my famagam
Me living in, cuz Ill remember when baby

[chorus]
I am..,the top of my life
Everything is right,with you
After all that Id been through(yeah)
I aint try to loose
This times of my life, with you
When they come like left for day
I bet not in my head
And now I wanna be bigger, bein here with you
Its not so hard to be
I can see in my dreams, I know Im gonna be better
My friends always say

Hook
My friends always say...
That every thing will be ok
But it dont always work out that way
So here I am again,
Belivin in, cuz I remember when baby

[chorus]
Ive had, the time of my life,
Everything is right, with you
After all that Ive been through(yeah)
I aint try to loose
This time of my life, with you
Baby Ive had

You'll say I'm outta line
So much on my mind
Like I wanna be bigger
Sometimes it don't rhyme
But when you're here with me (here with me)
I have all the tree (all the tree)
I know I wanna be better
My friends always say

[hook]
My friends always say...
That every thing will be ok
But it don't always work out that way
So here I am again,
Belivin in, cuz I remember when baby

[chorus]
I've had, the time of my life,
Everything is right, with you
After all that I've been through (yeah)
I ain't try to lose
This time of my life, with you
Baby I've had

One day they will see
It'll shine on at me
Finally see me smile, hear me laughing (at last)
At last you'll be hurt
Cuz long long time upserve
Now hope you hear
Baby baby I've had....

[chorus]
I've had, the time of my life,
Everything is right, with you
After all that I've been through (yeah)
I ain't try to lose
This time of my life, with you
Baby I've had

I've had, the time of my life
Everything is right, with you
Baby take my hand
Cuz I wanna go on too
This time of my life, with you
Baby

Repeat till fade..
