Well now I found myself  
Wish I was someone else  
My hands are stained with love  
Wish I could take it away  
I hid behind the shell  
In time the pain will melt  
My hands are stained with love  
Wish I could fake it

I gave my life away  
Theres nothing left to say  
I gave my life away  
You take it in your way

You take it in your way

My selfish enemy  
Still has the best of me  
Empty and feeling numb  
Wish I could take it away  
I cant control the need  
To weak to not concede  
Wish I was deaf and dumb  
Wish I could fake it

I gave my life away  
Theres nothing left to say  
I gave my life away  
You take it in your way

I gave my life away  
Theres nothing left to say  
I gave my life away  
You take it in your way

I cant pretend were the same  
I cant pretend were the same  
I cant pretend were the same

Oh now I found myself  
Wish I was someone else  
My hands are stained with love

Wish I could fake

I gave my life away  
Theres nothing left to say  
I gave my life away  
You take it in your way

I gave my life away  
Theres nothing left to say  
I gave my life away  
You take it in your way

You take it in your way (4x)
