So Im waiting by a phone  
For the blessed ring  
Like a holy grail  
For a fisher king  
Time is ticking down  
Like a metronome  
Rhythm for my brain and its ceaseless games  
I never seem to play them to the beat I hear

Thought my heart beat is a beat that beats so near

So we had a talk last night about the heavy blow  
That you dealt in fright youre back against the wall  
It was a puzzle piece important to the whole  
That I may not find to place within that hole  
I never seem to put them in the gaps I see

Like a puzzle where the pieces lost to me

Chorus

So Im changing who I am  
cause what I ams not good  
And I know you love me now  
But I dont see why you should  
And I dont see why you should  
No, I dont see why you should

So I drift into the air  
Like a moth to light  
Down the boulevard to the coffee shop  
In the land of sorrow in the land of wait  
I fear is bearing down on this lonely town  
I never seem to write them down as good as him

Like I somewhere lost the keys that let me in

Chorus

So Im changing who I am  
cause what I ams not good  
And I know you love me now  
But I dont see why you should  
So Im changing who I am

cause what I ams not good  
And I know you love me now  
But I dont see why you should  
And I dont see why you should  
No, I dont see why you should
