"The Calling - For You"

I am a vision, I am justice
Never thought that I could love
Living in shadows, faded existence
It was never good enough
Within the darkness, you were the light
That shines away
You're trapped in violence, I can be the man
That saves the day

Im there for you
No matter what
Im there for you
Never giving up
Im there for you
For you

Someone has changed me, something saved me
Now this is who I am
Although I was blinded, my heart let me find that
Truth makes a better man
I didn't notice that you were right in front of me
A mask of silence, well put away so we can see

Im there for you
No matter what
Im there for you
Never giving up
Im there for you
For you

For you

Within the darkness, you are the light
That shines away
In this blind justice, I can be the man
That saves the day

Im there for you
No matter what
Im there for you
Never giving up

You know it's true
You were there for me
And Im there for you
For you
For you
For you
