Yeah, oh, no, no, no
Out on the weekend
Out on the weekend
Out on the weekend
Out on the weekend

Let them in, get the lights, let party begin
Mix a little love, get the mood jumpin'
From New York to Miami by ten
I think I'm ready to go

High, every time that we hit up our spot
See everyone in line and they payin' a lot
'Cause they payin' for the night
'Cause the drinks are fixed but the music is free

You want it, you got it
You need it, but you know you gotta have it boy
The music is freein'
(Out on the weekend, out on the weekend, weekend)

This is for the girls comin' from NYC
I'm feelin' you like your family
And everybody down from L.A. to DC
Rockin' to the same old CDs

This is for the kids in the clubs and the street
Talkin' 'bout you work three deities
Get on the dance floor where the music is free
Slip, party 'til the dawn's gone with me

Gone 'til the dawn's gone with me
Where the music is free
Slip, gone 'til the dawn's gone with me
(Out on the weekend, on the weekend, weekend)

Now all my ladies, move it to the front
Show 'em what you got

Fellas? Oh, like that
All my ladies, a-a-all my ladies, oh ah
All my ladies, a-a-all my ladies, oh ah, oh

Alright now, and all my ladies say
And all the fellas say
Everybody say, come dance with me, oh

And the story goes just like this
[Incomprehensible]till the mornin'
There we go lettin' off, dollars droppin' onto the table
top
But once again, you can shake your thang and there
ain't no cops

This is for the girls comin' from NYC
I'm feelin' you like your family
And everybody down from L.A. to DC
Rockin' to the same old CDs

This is for the kids in the clubs and the street
Talkin' 'bout you work three deities
Get on the dance floor where the music is free
Slip, party 'til the dawn's gone with me

This is for the girls comin' from NYC
I'm feelin' you like your family
And everybody down from L.A. to DC
Rockin' to the same old CDs

This is for the kids in the clubs and the street
Talkin' 'bout you work three deities
Get on the dance floor where the music is free
Slip, gone 'til the dawn's gone with me

Gone 'til the dawn's gone with me
Where the music is free
Slip, gone 'til the dawn's gone with me
(Out on the weekend, on the weekend, weekend)
