Dance all night (x3)
(nicole kidman) I believe you were expecting me
Dance all night (x3)
It is called the moulin rouge
Lets dance!

Feel the beat of the rhythm of the night
Feel the rhythm
Forget about the worries on your mind
On your mind
Feel the beat of the rhythm of the night
Feel the rhythm
Forget about the worries on your mind

When it feels like
The world is on your shoulders
And all of the madness
Has got you goin crazy

Its time to get out
Step out onto the street
Where all of the action
Is right there at your feet
Well...
I know a place where we can
Dance the whole night away
And it's called the moulin rouge
Oh...
Just come with me and we can
Shake your blues right away
Youll be doin fine once the music starts...oh!

[chorus]
To the beat of the rhythm of the night
Dance until the morning light
Forget about the worries on your mind
We can leave them all behind
To the beat of the rhythm of the night..
Oohh the rhythm of the night..
Forget about the worries on your mind
We can leave them all behind...
Oh lalalalala

Oh lala

Look at on the street now
The partys just beginning
The musics playing
A celebrations starting

Under street lights
The scene is being set
A night for romance
A night you wont forget, so

Bridge:

Come join the fun
This aint no time to be staying home
Mmm..the moulin rouge is going on...oh!
Tonight is gonna be night like youve never known
Were gonna have fun the whole night long...
Oh!

Chorus

Cuando sientes que el mundo
Esta encima de ti
Y la vida te tiene como loca
Conozco un lugar
Donde podemos bailar

Chorus repeats

Oh rhythm wanna feel the rhythm
