L'amour est un oiseau rebelle que nul ne peut  
apprivoiser

et c'est bien en vain qu'on l'appelle s'il lui convient de  
refuser.

Rien n'y fait  
menace ou priere  
i'un parle bien  
l' autre se tait

et c'est l'autre que je prefere  
il n'a rien dit  
mais il me plait.

It's a replay in his memory of a haunting spanish  
melody

it's always tha same.  
It's so hard for him to realize he has killed the only love  
he  
prized

but he can't be blamed.

Danger in her eyes had him hypnotized

and he can't resist the feeling  
that set his heart reeling in the heat  
as their bodies meet  
and the story takes its end

he's captured by the danger in her eyes.

L'amour est un oiseau rebelle que nul ne peut  
apprivoiser

et c'est bien en vain qu'on l'appelle s'il lui convient de  
refuser.

While she's taken everything he gave

it was just his innocence she craved

she strung him along.

it was plain she knew right from the start

she would be the master of his heart

-

a dangerous song.

Danger in her eyes had him hypnotized

...

L'amour est un oiseau rebelle -

Danger in her eyes -

Que nul ne peut apprivoiser

-

Danger in her eyes -

Et c'est bien en vain qu'on l'appelle

S'il lui convient de refuser.
