There's no way, oh no  
How could you do this to me?  
Nothing left but those memories

There's no way  
Collapsing to your knees  
Begging me, begging me  
For forgiveness  
Do my eyes deceive me?  
Or am I seeing things?  
How could you do this to me?  
I had no idea that you were like this  
There's no way that this is happening

There's no way, oh no  
How could you do this to me?  
Nothing left but those memories  
A photograph, taken while you were gone  
Nothing left but those, memories

Does this treachery that entangles your heart  
Pull you farther from your spine?  
Run away  
Is this all that you do?

Nothing left but the left memories  
A photograph left at the scene  
Take while you were gone  
Nothing but memories  
Preserved within me  
You left me with nothing but a memory

There's no way, oh no  
How could you do this to me?  
Nothing left but those memories  
A photograph, taken while you were gone  
Nothing left but those, memories

Everything was taken away in an instant  
(Those memories)  
But only from me

(Those memories)
