When you are sleeping do you dream of me  
How strange, how strange  
'Cause you know what they say  
About the visions in your head and what they mean  
How strange, how strange  
That you should feel that way

I'm not living in an ordinary world  
'Cause I'm not your ordinary good girl  
And I don't believe in playing like I know that game  
You're not heading for an ordinary love  
'Cause I'm not the one that you should think of  
And I'm not a prize that you can claim

**[CHORUS]**

You know I think it's strange  
Just a little bit deranged  
That you think I'm gonna change to make you happy  
If you can tell me why  
I should wait around then I  
May be coming down  
But until then this means  
You can see me in your dreams

When you are sleeping do you  
When you are sleeping do you  
When you are sleeping do you dream  
How strange

I'm more than happy in my candlelight  
How strange, how strange  
That you should come to my dominion  
In the middle of the darkest night  
How strange, how strange  
That you should even try

I'm not living in an ordinary world  
'Cause I'm not your ordinary good girl  
And I don't believe in playing like I know that game  
You're not heading for an ordinary love  
'Cause I'm not the one that you should think of

And I'm not a prize that you can claim

[CHORUS]

Supernatural, yes it's true  
Tell me what are you gonna do  
About this love  
Are you strong enough  
To love me for the way I am  
I don't think you understand  
That you can't hold me in your hand  
If you want me  
You had better find a way to show me  
But don't you think you know me  
'Cause I'm not looking for a boy to call my own  
I'll do just fine alone

[CHORUS]

I don't come when you call  
I don't try to be nice  
I don't care after all  
I don't take your advice  
I don't answer your prayers  
I don't do as you say  
Love if you really care  
You'd better find another way

[CHORUS]

When you are sleeping do you  
When you are sleeping do you  
When you are sleeping do you dream
