If you feel better  
Telling me I'm cruel  
Saying I'm unfeeling  
I don't mind  
If it's necessary  
If it helps you out  
Crying that I'm heartless  
It's alright

[CHORUS]

And I'm sorry to cause you so much pain  
And I'm sorry to bring you down again  
'Cause I've reached the end and I won't fight anymore  
I don't know what you really want from me  
But I don't fit in your reality  
How can any man be so blind  
But if you feel better  
I don't mind

If you feel safer  
Keeping to yourself  
Placing trust in no one  
I won't cry  
If it calms your conscience  
Making me the guilty one  
Take my reputation  
Ain't worth much  
And it's alright

[CHORUS]

Won't make me sorry 'cause I'm cruel  
Won't hurt the feelings I don't have  
Won't break the heart that isn't there you'll find  
But if you feel better  
Telling me I'm cruel  
Saying I'm unfeeling  
I don't mind  
I don't mind  
I don't mind
