There's no way to tell you why  
There's no word to tell you how much  
All my pain is preventing me  
From mourning this life

Don't you hear my screams?  
Don't you see my tears burning my face  
And all the blood  
I've made flow on your hands?

Too late to push back the pain  
Too late to breathe again  
And there's no one to call  
Even dying alive!

Still can't find the reason why  
I took this pen and this sheet  
It just hurts me so much  
I have to tell you, I have to

Just didn't know where I was going to  
I was looking for a place  
To rest my mind  
I just wanted to feel perfect, just once!

I long to push you away  
Cause I have lost all I have  
Will you be present  
To pay tribute to me?  
Too late to push back the pain  
Too late to breathe again  
And there's no one to call  
Even dying alive!

But I have hurt so much  
It's not your turn to

Erase my pain  
And you can't dry my tears  
Not your turn to fix me  
Cause you just cannot  
And I just have to fightâ€¦ alone

Never felt so neglected  
Never wanted so much to die  
Just have the feeling to be bereaved again  
Ho I do

Never felt so misunderstood (rejected)  
Just wanted someone to hear  
That's why I'll don't lie to you  
I still love you, I do  
I long to push you away  
Cause I have lost all I have  
Will you be present  
To pay tribute to me?  
Too late to push back the pain  
Too late to breathe again  
And there's no one to call  
Even dying aliveâ€¦

But I have hurt so much  
It's not your turn to

Erase my pain  
And you can't dry my tears  
Not your turn to fix me  
Cause you just cannot  
And I just have to fightâ€¦ alone

If I knew you were not ready  
To keep my spirit up and to trust me  
I never meant to hurt you  
But you could trust me if you really loved me  
If you really did  
I did, I did  
I doâ€¦

There's no way to tell you why  
There's no word to tell you how much  
I doâ€¦

There's no one to call  
Even dying alive! Alone!
