Too lost to understand
I'm too far to even try
Just too alone to scream
And too sad to cry my pain

I'm too afraid to breath
Too much in disappear to forget
Too weak to stand up
And just too lost to accept

Let me try to move on
Let me push back the pieces together
To at least take a breath
To at least be forgiven

Why is it raining so much on you grave ? Tell me
Don't you feel my pain?
I can't confess and I can't deny that I've lost
Everything I had when you have gone away

Don't you hear my soul
Wanting to be noticed?
Let me settle again
I don't think that time
Can erase everything
There's just too much pain

Too late to renounce
It's too late to do a U-turn
And I'm too far
To be able to take a breath again

Don't you hear my screams?
Don't you feel like if everything was unfair?
But even if you're still with me
I am all alone
