The time to tidy up  
And to clean everything  
The time to realize...

The time to look at your photos  
On the wall one last time  
And to close the door...

Then you can escape  
You can escape  
You can escape  
But wait, before you go  
Take my hand  
Show me one last dance...

All your pictures  
Hang up on the wall  
All your books stacked...

I'll treasure every lesson learnt  
I'll remember your name  
I'll never forget your sweet words

So you can escape  
You can escape  
You can escape  
But wait, before you go  
Take my hand  
Show me one last dance...

You taught us the future  
We'll always honour your memory  
We'll never cry cause you've gone  
But just cause your smile  
Will remain in our memory...

So you can escape  
You can escape  
You can escape  
But wait, before you go  
Take my hand  
Show me one last dance...before the escape
