You hold my breath relentlessly and I can't escape  
You haunt my soul without regret, you haunt all my thoughts  
Your voice guides me and gives me back my force  
Without you I can't go on, you're all that I live for

Your image invades me every day that pass  
Your face doesn't stop pestering me  
Your face is shining in this dark night  
Despising me cause I won't forget you

You stay here invisible watching me  
You take pleasure seeing me suffer  
You know I only think about you  
I'll realize this dream to just know you

I refuse to give up this time

You hold my breath relentlessly and I can't escape  
You haunt my soul without regret, you haunt all my thoughts  
Your voice guides me and gives me back my force  
Without you I can't go on, you're all that I live for

I can't forget the feelings it affects me  
Dreaming alone like a child in openness  
Here in my daydream you belong to me  
I'll never let you go...haa! I want to keep you now! Stay with me!

After all your presence becomes familiar  
You manage to take possession of me  
I'd like so much being close to you  
Could I tell you what I feel one day?

Wondering what more you have

Haaa...

Haaa...

Haaa...

haaa...

You hold my breath relentlessly and I can't escape  
You haunt my soul without regret, you haunt all my thoughts  
Your voice guides me and gives me back my force  
Without you I can't go on, you're all that I live for

Submitter's comments:Â

This song is dedicated to Amy lee (from Evanescence). The singer express her feelings for her model, like in the song FOR AMY LEE.
