Looking for the trails
Looking for the past
Looking for the truth
Wondering why...

Never speak about
Your beliefs
Never say your real name
You have to lie... to survive

Stay there
Don't amount
Stay hield
As far as the silence invades all the place
I'll come back

Living with this painful past
Even after these years went bye
Consealing this pain
History will always recapture us
Refusing to live us
Draging this burden behind
Hiding this secret deep inside

How to forget these sinistre places?
How to forget these faces?
How to forget this cruelty?
How to forget this cruelness that's ours?

No one will know, never no one
Wondering why...

Stay here
Don't amount
Stay hield
As far as the silence invades all the place

Wondering why...

Submitter's comments:Â

This song have been written for the famous film "The Sarah's key". Like in lots of her songs, SalomÃ© wants to make reflect people about the injustices of our world...
