Welcome to the future
Welcome to the future
Get into the new speed
Get into the enemy

Mass communication
(Gene manipulation)
So what's the occupation?
(What's your dedication?)

Welcome to the future
Straight into the future

Bigtime
(Bigtime)
We're all partners in crime
Bigtime
(Bigtime)
We're all standing in line

Welcome to the future
Welcome to the future
Talking about the old times
Scared about the new times

Does anybody know you?
(Will anybody need you?)
Can anybody please you?
(Does anybody have to?)

Just get into the to the future
Straight into to the future

Bigtime
(Bigtime)
We're all partners in crime
Bigtime
(Bigtime)
We're all standing in line

Bigtime
(Bigtime)

We?re all partners in crime
Bigtime
(Bigtime)
We?ve all been left behind

Bigtime
(Bigtime)
We?re all partners in crime
Bigtime
(Bigtime)
We?re all standing in line

Bigtime
(Bigtime)
We?re all partners in crime
Bigtime
(Bigtime)
We?ve all been left behind
