Some people think they're aging too fast
Living in a race against the past
They cannot feel the present day
But there's always time to fade away

(Unless you're heading for a breakdown)
My friend
(Unless you're heading for a breakdown)
Again
(Unless you're heading for a home)
Well we did not put you on this road

Some people think they never grow
They're all afraid of moving too slow
In all the fields they try to break
There's never time for a mistake

(Unless you're heading for a breakdown)
My friend
(Unless you're heading for a breakdown)
Again
(Unless you're heading for a home)
We did not put you on this road
We never told you where to go

Some people think they never get enough
Anything for real they try to make it stop

We're on the outside looking in
We see the end when they begin
And when [Incomprehensible] have gone insane
There'll be no time to ease the pain

(Unless you're heading for a breakdown)
My friend
(Unless you're heading for a breakdown)
Again

(Unless you're heading for a home)
We did not put you on this road
We didn't put you on this road
We never put you on this road

(Unless you're heading for a breakdown)
My friend
(Unless you're heading for a breakdown)
Again

(Unless you're heading for a breakdown)
My friend
(Unless you're heading for a breakdown)
Again

(Unless you're heading for a breakdown)
Again
(Unless you're heading for a breakdown)
Again

(Unless you're heading for a breakdown)
Again
(Unless you're heading for a breakdown)
Again
(Unless you're heading for a breakdown)
Again
