I killed myself today
For second life replay
I killed myself today

I had too many lives
I did it to survive
So I killed myself today

But somehow I'm not dead
I'm still inside a head
To testify what's real
When truth is to believe

I killed myself today
For second life replay
Yeah, I killed myself today

I killed myself today
(I killed myself today)
For legendary fame
(For legendary fame)
I blew myself away

I did it in a crowd
(Killed myself today)
The echo was about
(For second life replay)
The old familiar shame

But somewhere I'll survive
To make you feel alive
So you could all reload
Your dreams and all your hopes

I killed myself today
(I killed myself today)
For second life replay
(For second life replay)
Yeah, I had to leave this game

But I'll return tomorrow
Alive to learn again

Alive to learn tomorrow
Alive to learn again
