Wheels of boredom, everywhere, seem to follow me  
Wheels of boredom, doing everything to swallow me  
You came looking for something, that's for sure  
But as soon as you got it all, it's not fun anymore

Wheels of boredom, find a way to amuse yourself  
Seen and done everything, so make a turn for your  
mental health  
You came looking for someone, that's the cure  
But as soon as you get what you want, it's not fun  
anymore

Yeah, yeah, yeah, yeah, yeah  
Sha, la, la, la, la, la, la, la, la, la, yeah  
Sha, la, la, la, la, la, la, la, la, la, la

Wheels of boredom, get a practice in what you preach  
Or maybe I should be satisfied but you know, that is out  
of reach  
You came looking for something, that's for sure  
But now, when you've got it made, it's all such a bore

Yeah, yeah, yeah, yeah, yeah  
Sha, la, la, la, la, la, la, la, la, la, yeah  
Sha, la, la, la, la, la, la, la, la, la, yeah  
Sha, la, la, la, la, la, la, la, la, la, yeah  
Sha, la, la, la, la, la, la, la, la, la, la
