Each and every day  
Colours in waves  
Love and nights cause sparks  
Tearing us apart  
Street lights fading  
Cuts my heart  
Knowing that the time is past  
Comes in waves that don't belong  
To me they're silent  
Fall back on what you've done  
I'll be the only one  
These colours before my eyes  
I'll be forever colourblind
