An angel lost its wings  
Amongst the bags of things  
Disclosed amounts of greed  
Creep in daily

And though naive at first  
You must be quick to learn  
It's not the words that hurt  
So save them

Memories meant for me

Take all the time in the world  
All the time you deserve  
You'll be lost but you'll be free

Now that luck is found  
Our feet won't touch the ground  
Might not be first in line  
Still we stand by

Cut like broken glass  
Leaves splinters in our path  
Been guided by your thoughts  
So hold that

Memories meant for me

Take all the time in the world  
All the time you deserve  
You'll be lost but you'll be free

Take all the time in the world  
All the time you deserve  
You'll be lost but you'll be free

I won't guess forever  
Given chance is slender  
Forgive this fragile day  
And fail to capture thoughts

The restless side has gone away

Breath out  
Never forget this fragile day  
Lift this fragile weight
