"Itsumo"

Visit "[Itsumo](#)" on MotoLyrics.com

Juz' call me first born, you're my first love,
You're my 1st kiss from up above.
And I don't care if you don't give love back
Coz' n my heart is where your ass is at.
I love your eyes , your nose & your tender lips,
Wanna kiss your neck, your shoulders to your finger
tips.
I go crazy when you shake those sexy hips.
Baby girl you're the 1 I can't resist.
You know I love you from the very start, I don't care if
you break my heart.
I'm the man & I'm here for you, believe me coz' my love
is true.

[CHORUS]

[Sashi]

Itsumo kokoro we hoshi itstuka
Dare katu mata koi nei utchitimu
Itsumo kokoro nei eiro itsumo
Anata dake no basho ga aru kara

[K9]

You wanna get down with k-n-i-n-e, make sure that's
pure l-o-v-e
Never talk about the i-c-e coz' I only got my h-e-a-r-t for
y-o-u
I can't pay the bills for dinner, I juz' give them my IOU
For sure, I'm not after f-u-c-k, got no b-a-d intentions
don't wanna play girl,
Maybe we might spot a UFO, wait, that's not part of the
rhyme juz' felt like sayin' so
You gotta know that I love from the start till f-o-r-e-v-e-r.

[CHORUS]

[Sashi]

Itsumo kokoro we hoshi itstuka
Dare katu mata koi nei utchitimu
Itsumo kokoro nei eiro itsumo
Anata dake no basho ga aru kara

[Dice]

Baby girl be my first lady, be the mom of my first baby
You didn't like me when you first show me, I'll be gentle
I'll do it slowly.

[K9]

Girl, I think it's better if you was with me, I got doe coz' I
juz' won the spelling bee
For you, I got all the t-i-m-e Ask mommies to pass but
I'm not so sure
Juz' doin' my on thing, shits more expensive than your
fancy gold rings,
I don't mean dissin' coz' I gots to go there, mommies
don't care,
All for them ladies, even chicks with nose rings.

[CHORUS]

[Sashi]

Itsumo kokoro we hoshi itstuka
Dare katu mata koi nei utchitimu
Itsumo kokoro nei eiro itsumo
Anata dake no basho ga aru kara

[CHORUS]

[Sashi]

Itsumo kokoro we hoshi itstuka
Dare katu mata koi nei utchitimu
Itsumo kokoro nei eiro itsumo
Anata dake no basho ga aru kara
