[Verse 1:]

My shattered dreams and broken heart  
Are hanging on the shelf  
I saw you holding hands  
Standing close to someone else

Now I sit all alone  
Wishing all my feeling was gone  
I'd give my best to you  
Nothing for me to do

[Chorus:]

But I have one last cry, one last cry,  
Before I leave it all behind,  
I got to put you outta my mind,  
This time stop living a lie,  
I guess I'm down to my last cry

[Verse 2:]

I was here, you were there,  
Guess we never could agree,  
While the sun shines on you,  
I need some love to rain on me.  
Still I sit all alone wishing all my feeling was gone,  
Gotta get over you, nothing For me to do.

[Chorus:]

But I have one last cry, one last cry,  
Before I leave it all behind,  
I got to put you outta my mind,  
This time stop living lie,  
I know I gotta be strong,  
'Cause while this love goes on, and on and on ohhh

[Bridge:]

I'm going to dry my eyes, right after I get to  
My one last cry, one last cry,  
Before I leave it all behind,  
I got to put you outta my mind,  
For the very last time and live right  
I guess I'm down,

I guess I'm down,  
I guess I'm down to my last cry.
