Line One is the time, that you,
you first stayed over at mine,
and we drank our first bottle of wine,
and we cried.

Line Two, we're away,
and we both, we both had nowhere to stay,
well the bus shelter's always okay,
when you're young,

Now your'e older and I look at your face,
every wrinkle is so easy to place,
and I only write them down just in case,
that you die,

Lets take a look at these crows feet, just look
sitting on the prettiest eyes,
sixty twenty-fith of Decembers,
fifty-nine fourth of Julys,
not through the head of the failure, children,
not through the hate or despise,
take a good look at these crows feet,
sitting on the prettiest eyes.

Line three, I forget, but I think,
I think it was our first ever bet
and the horse we backed was short of a leg,
never mind,

Line four in a park,
and the things,
the things, that people do in the dark,
I can hear the faintest beat of your heart,
then we did.

Now your'e older and I look at your face,
every wrinkle is so easy to place,
and I only write them down just in case,
you should die,

Lets take a look at these crows feet, just look,

sitting on the prettiest eyes,
sixty twenty fifth of Decembers,
fifty nine fourth of Julys,
you can't have too many good times children,
you can't have too many lines,
take a good look at these crows feet,
sitting on the prettiest eyes,

(sitting on the prettiest eyes x2)
