Yah, haha there?s another one (another one)  
From the JD factory  
Something brand new  
You gonna love it  
Brownhand record baby. whooa!!

Ohhh. baby boy  
When you warp your arms around me  
You rock my world  
Ohhh baby boy..  
Honey suckin? sweet  
Lovin? all day.  
Baby, baby, baby yeah

So soft and smooth  
As any girl could be  
Those stylish moves  
And curve of your body  
We got tripping? bumping?  
Dancing to this beat  
Get your booty  
Down on me.

Boom! when you step into the room  
Time stood still like I'm walking on the moon  
I've been checking you out, you're so tight  
When you looking at me, feels alright  
Is this real, what a feeling  
What am I to do I'll be tripping?  
First I saw you then I felt you  
Now I got you, it's sound crazy  
You know but it's true ha-ha!

Ohhh. baby boy  
When you warp your arms around me  
You rock my world  
Ohhh baby boy..  
Honey suckin? sweet  
Lovin? all day.  
Baby, baby, baby yeahh

So soft and smooth  
As any girl could be  
Those stylish moves  
And curve of your body  
We got tripping? bumping?  
Dancing to this beat  
Get your booty  
Down on me.

Love the way you laugh  
When we tickle  
Love the way you sound  
When we giggle  
Love the way you walking and talking  
Love your pretty face, you know your expression  
Love the way you taste you a dish  
You want temptation girl, I can?t resist  
I can?t believe that I'm yours and your mine  
We got sweet love till the end of time

Ohhh. baby boy  
When you wrap your arms around me  
You rock my world  
Ohhh baby boy..  
Honey suckin? sweet  
Lovin? all day.  
Baby, baby, baby yeahh

Ohhh. baby boy  
When you wrap your arms around me  
You rock my world  
Ohhh baby boy..  
Honey suckin? sweet  
Lovin? all day.  
Baby, baby, baby yeahh

Ohhh. baby boy  
When you wrap your arms around me  
You rock my world  
Ohhh baby boy..  
Honey suckin? sweet  
Lovin? all day
