#### INTRO

Uh  
Uh uh oh oh oh [2x]  
Uh uh oh  
Bounce baby, take it slow [3x]  
Yo  
Then get on the floor

#### CHORUS

Show me what you got  
Take me to the spot  
Where you want me to  
Touch you, taste you, feel you  
Show me what you got  
Take me to the spot  
I know you want me to  
Touch you, taste you, feel you

On a night like this  
I just can't miss  
The opportunity  
To stroke your sexy body  
Down on the dance floor  
But you know I want some more  
More than just flirtin'  
I need some body bumpin'

#### REFRAIN

Baby girl, I see you comin'  
Wearin' that sexy smile  
Temperatures risin'  
Send shivers down my spine  
My heart keeps poundin', baby  
You'll give me a heart attack  
All systems on overload  
I know I'm gonna explode

[Repeat CHORUS]

Quick draw, we're down on the floor  
We haven't even started, why you shout for more

Can you handle this, why you closin' the door  
I'll be comin' to you, baby like we was on tour  
Turn off the lights, I'll put on some rubber...  
Shoes for runnin' then take off our clothes  
We can tickle and nibble  
You can ride me just like Evel Knievel  
Whoa! Wait a minute, check that out!  
I can see your pussy, cat is out  
We'll forget about that, we better concentrate  
I know you gotta get home and it's already late so...

[Repeat CHORUS]

[Repeat REFRAIN]

Suppa freak, I got you on my mind  
Been thinkin' about your sexy body all the time  
The things you did to me, it was off the hook  
I guess you really memorized the Kama Sutra book  
I got my own syle and I call it Doggy  
I know you can't wait 'cause the bed is soggy  
Must be the rain, don't close your window  
It doesn't really matter, just enjoy the show  
Sometimes I really rhyme fast, sometimes I rhyme slow  
You gotta wait a minute, damn grow, damn grow  
The rumble in the jungle, let's get it on  
Put the pedal to the metal, get the friction on so...

[Repeat CHORUS]

[Repeat REFRAIN]

Ahh
