I.

Whispers on my door
Howling down the corridor
Waiting for the rain to pour
Purifying me

Cold as hardened ice
Yet it feels so nice
Cleaning as the winter snow
Give me back my tears

Chorus 1 :

Rain on me
Rain on me
Cleanse me of my fears
Give me back my fears

II.

Freezing as the sky
Pure as brand new snow
Clear as silver mirrors
Reflecting all I know

Drowning all my years
In torrents from the sky
Washing away my problems away
Opening my eyes

Chorus 2 :

Rain on me
Rain on me
Can't you see
You are saving me

Bridge :

Rain on me
Set me free
Restore my dignity
Bring my honor back to me
[Repeat 2x]

Final Chorus :

Rain on me
Make my problems flow away
Help me live another day
Rain on me....
Rain on me....
Rain...on...me...
