Visit "[Seven Years](#)" on MotoLyrics.com

we've been together for seven long years
quite content, and never had fears
until i found some changes in you
what have i done to make you feel blue

REFRAIN

baby pls tell me, whats on youre mind
your feelings are far more important than mine

CHORUS

you, re the woman in my life
i will cherish you more
but if you no longer feel right
i just have to let go.

you say it's not about somebody new
then why are you acting the way that you do
you say its nothin, then why do you cry
i feel as though you wanna say goodbye

(repeat refrain and chorus)

BRIDGE

you just don't know how much my heart cries
knowin youre hurryin but not knowin' why
it's time to tell me what you feel inside
don't worry bout me cuz i'll be alright....
I'll be fine

(repeat refrain and chorus)
