[Intro:]

All the little things that you say to me All the little kisses that you give to me All the little things

[Verse 1:]

Baby where do I begin (yeah)

What a beautiful mood I'm in, I'm in

Cuz loving you has really been one of the most

beautiful things (yeah)

Cuz I love when I call you and I hear you say hello

And I love when I ask you where you at you say you're at home

And I love when we are playing, when we are playing all alone, playing all alone

[Chorus:]

These are the best days of my life (my life)

These are the best days of my life (best days of my life)

These are the best days of my life (my life)

These are the best days of my life (best days of my life)

Best days of my life, of my life (best days of my life) You are the best thing in my life (best days of my life)

Oh, baby (best days of my life)

Best days of my life (yeah, yeah)

[Verse 2:]

I even love her ups and downs (yeah)

Cuz making up is a beautiful sound (yeah yeah)

There is no one else around (no)

So baby let's go pain the town (yeah)

Cuz I love when I call you and I hear you say hello

And I love when I ask you where you at you say you're at home

And I love when we are playing, when we are playing all alone, playing all alone

[Chorus]
