O...I sure hope you like my show  
(doo-dah, doo-dah)  
At the end you're free to go  
(o, doo-dah-day)

My name's Bob and this is smuj  
(doo-dah, doo-dah)  
I like women he likes fudge  
(o, doo-dah-day)

This is the refrain  
It sticks in your brain  
"O, doo-dah-day" is your next line  
(o, doo-dah-day)

Many ask me how I died  
(doo-dah, doo-dah)  
Were you stabbed or were you fried?  
(o, doo-dah-day)

I was hung from yonder tree  
(doo-dah, doo-dah)  
Before that I hung to my knee  
(o, doo-dah-day)

This is the refrain  
It sticks in your brain  
"O, doo-dah-day" is your next line  
(o, doo-dah-day)

All the blood rushed to my toes  
(doo-dah, doo-dah)  
Maggots ate away my nose  
(o, doo-dah-day)

All my bones stayed nice and strong  
(doo-dah, doo-dah)  
I have one ten inches long  
(o, doo-dah-day)
