(Chorus)

Big bear
He's iron tough.
Big bear
He's got a chest like a rug.
Big bear
He don't take no guff,
He's big bear.

Goin' down the road, got the fellas in the back.
Chicken on his fingers and a blunt six pack.
Drinkin' in the mornin' with the hair on the dog.
He's sweet as a bird but he smells like a hog.

Chorus

Lookin' in the mirror now they're comin' from behind.
Big bear's got a bunny that they're never gonna find.
420 block gonna take him outta sight,
Never gonna catch him and ya never have to fight.

Chorus

Oh, big bear.
Big bear.
Big bear.
Big bear.
Big bear.
Big bear.

Chorus

So remember if you can, when you're goin' down the
road,
Be careful of the man who pulls a heavy load.
He's hotter than the sun and he's cooler than the rain.
With a chuckle from below he's gonna ease your pain.

Chorus x2

Big bear.

He's iron tough.
Big bear.
He's got a chest like a rug.
Big bear.
He don't take no guff,
Big bear.

C'mon and give the bear a hug!
