"Drunk And Lonesome"

Drunk and Lonesome again
Losin' memories of friends
Drunk and Lonesome again
Back Where it all began

(pause)

Did I Meet you in a bar
Did we talk about cars
I was drunk and alone
That's how you took me home

(pause)

Was It all just a plan
To get your self a Maaaaan
When you're down on your luck
You need someone to... touch

Drunk and Lonesome again
Losin' memories of friends
Drunk and Lonesome again
Back Where it all began

Now some people are born to repeat
All the mistakes of their past
But then bad luck like her
never does seem to last

But if I ever want to find another
Another one just like Yoooouuuuu
I know just what to do
A combination of the two
