i was at a party it was late one night  
moon was hitting i was sitting alright  
two ugly girls on both sides of me  
i was praying for you firefly  
i say firefly won't you shine some light  
let me see what's happening tonight  
firefly won't you shine some light  
let me see what's happening tonight

little girls followed me all the way home  
they say don't leave me out here in the  
dark all alone by myself  
reach into my pocket trying to find my keys  
i was praying for you firefly  
i say firefly won't you shine some light  
let me see what's happening tonight  
firefly won't you shine some light  
let me see what's happening tonight

i was at a party it was late one night  
moon was hitting i was sitting alright  
two ugly girls on both sides of me  
i was praying for you firefly  
i say firefly won't you shine some light  
let me see what's happening tonight  
firefly won't you shine some light
