Number fifty-four  
The house with a bamboo door  
Bamboo roof and a bamboo walls  
It's even got a bamboo floor

You must get to know  
Soho Joe  
He runs an Espresso  
Called the House of Bamboo

It's a made of sticks  
Sticks and bricks  
But you can get your kicks  
In the House of Bamboo

Well in this casino, you can drink a chino  
And it's gotcha swingin' to the cha cha  
Dance the bolero in a sombrero  
Shake like a snake

You wanna stop in when the cats are hoppin'  
Let your two feet move up to the big beat  
Pick yourself a kitten and a listen to the platter  
That rocks the juke-box

I'ma telling you  
When you're blue  
Well there's a lot to do  
In the House of Bamboo, go big boy

Let's go, go

You must get to know  
Soho Joe  
He runs an Espresso  
Called the House of Bamboo

Well in this casino, you can drink a chino  
Let your two feet move up to the big beat  
Pick yourself a kitten and a listen to the platter  
That rocks

I'm telling you  
That when you're blue  
Well there's a lot to do  
In the House of Bamboo

Number fifty-four  
The house with a bamboo door  
Bamboo roof and a bamboo walls  
It's even got a bamboo floor

In the House of Bamboo

Number fifty-four  
The house with a bamboo door  
Bamboo roof and a bamboo walls  
It's even got a bamboo floor

In the House of Bamboo
