Darling, I think that I'm ready  
Just to give it all one more try

'Cause I want a love that will last forever  
Not just one that'll last a day  
I want a hand that I can hold on to  
When my blue skies are turning gray

And I'm sorry for those things that I've done  
Back in the day when I was young  
Lord knows I've changed and rearranged  
I swear I'll try to keep you satisfied

Girl, I want a love that'll last for ever  
Not just one that'll will fade away

Darling, I know I cheated and lied  
But I'm back for you, please, give me one more try

Yes, I'm sorry for those things that I've done  
Back in the day when I was young  
Lord knows I've changed and rearranged  
I swear I'll try to keep you satisfied

Girl, I want a love that'll last forever  
Not just one that'll have to fade  
I want a love, well, that I can depend on  
Not just one that will fade away  
Not just one that will fade away
