it don't matter if your pants are shiny  
if your d\*ck is big or your d\*ck is tiny  
it don't matter if your wig's on straight  
if you show up early and you party too late  
cause it's soul city soul city  
the shoes are big but the women are bigger  
and the pantyhose make em' look like winners  
rolled up hiked up by the knees  
got the party dress on can you smell my breeze  
cause it's soul city it's soul city  
devil and her daughter were up on top  
sitting on a stack of cinderblocks  
it's soul city yeah it's soul city  
it's soul city yeah it's soul city  
soul city soul city  
it don't matter if your pants are shiny  
if your d\*ck is big or your d\*ck is tiny  
it don't matter if your wig's on straight  
if you show up early and you party too late  
cause it's soul city it's soul city  
jumpin' little joint with a roof on top  
sitting on a stack of cinderblocks  
soul city yeah soul city yeah
