Zombified, zombified, zombified
My baby been zombified
My girl is more dead than alive
She ain't got no love I her eyes
She says, but she don't cry,
My baby been zombified!
[Chorus:]
Zombified, zombified,
My baby been zombified
Zombified, zombified,
My baby been zombified
She might be seen . black
I'm getting something I've always had
But she comes every day at five
I think my baby been zombified
[Chorus:]
Zombified, zombified,
My baby been zombified
Zombified, zombified,
My baby been zombified
She answer all the questions with an yes or no
She started with
She's too tired, when we're all alone
When we're all alone, when we're all alone
When we're all alone!
My girl is more dead than alive
She ain't got no love I her eyes
She says, but she don't cry,
My baby been zombified!
[Chorus:]
Zombified, zombified,
My baby been zombified
Zombified, zombified,
My baby been zombified
