Stalking my victim, carefully picked
Right size, right looks, soon no more

My intentions, for you beyond belief
Intentions for me to be reborn
To kill and fulfill complete rebirth
Destined to die for me to live
To kill and fulfill my invertbirth
Destined to die for me to live

Zero hour, sleeping beauty
Chosen surrogate, soon to deliver

Inserting rods, puncturing lungs
Don't want you to scream...
Don't take this the wrong way dear, you are a part
Of a greater plan
Surgical instruments flashing, cutting, tearing
Open up for me and you shall receive

Invert Birth
Invert Birth

You can call me fanatic
You can call me wicked
I call myself a man of pure faith
A soon to be born again christian
A soon to be born again christian

My intentions, for you beyond belief
Intentions for me, to be reborn
To kill and fulfill complete rebirth
Destined to die for me to live
To kill and fulfill my invertbirth
Destined to die for me to live

Your flesh shall be my temple
A means to my salvation
Crawling up inside the womb
An actual rebirth performed
