

Sandy Shingleton**"See me swim"**

Visit "[See me swim](#)" on MotoLyrics.com

I live to go swimming
'Cause my mom and dad
Can see me swimming
And all my friends can see me swimming
In my see me see me swim pool

See me swimming in the water
See me swimming all around
See me making funny faces
Under water
Like a clown
See me laughing
See me splashing
See me swimming upside down
In my see me swim, see me swim pool
