Sinabi ko na nang minsan
Over & over again
Kung gusto mo ng goodtime
Just bring home a friend
I don't really care
Kung ilang babae
Basta ang kunin mo
Magaling mag-masahe
Here's the golden rule
Don't be a fool
'Wag magmadali
You finish muna school
At pag ready nang dumeploy
Ika'y mag-e-enjoy
Umm...kasali lahat
Join pati tomboy
'Pag ako ay tumayo
Walang mababangko
'Pag merong nangalay
Puwedeng humiga na lang
Basta hinga ka lang
Pero kung bad breath ka
Baby 'wag na lang
And so alam mo na ba
Kung anong ibig sabihin
While I'm talkin' about
Hindi ko na uulitin
Sasakay sa elevator
You sindihan then woof!
Pagdating sa rooftop
Everybody raise the roof

CHORUS:

I love this game
I love this game
I love this game
Picnic, picnic

I'm no vegetarian
I don't eat meat
Pero everything you have

Will I surely eat
On and on and on
You do the break at dawn
Scream, scream, scream
Moan, moan, moan
Right there oh shhh!
Andrew you're so good
Shhh...be quiet

Baka magising ang neighborhood
Nice, peace and calm
Baby use your calm
Andrew drops bombs
On daughters and your moms
So don't you ridicule
Just stay cool
Kase 'pag picnic na
Ika'y mauulul
Picnic, picnic, picnic
Is what I'm talkin' about
Picnic, picnic, picnic
So don't you ever doubt
So baby now just pause
Hindi dito nagtatapos
I will never be lads
Coz baby I'm the boss
So the next time you go hungry
This is what you do
You picnic with me
And I picnic with you

CHORUS:

I love this game
I love this game
I love this game
Picnic, picnic

Na experience mo na ba
Ikaw ay dinala
Pero kung never pa
Puwes sumama ka
Di kailangan ang credit card
No holds barred
Tatanggap ka ng award
If you can make it have
Puwede kang i-treat
Puwede kang rumipeat
Isa, dalawa, tatlo
O apat para sweet
So baby don't stop
From the bottom to the top

Lalong magpa-pop
Kung merong lollipop
After six o'clock
Mahihipnotize
'Pag dinukot mo
Mmm...merong surprise
Stay cool, stay calm
H'wag mabigla
'Pag medyo maalat 'wag iluluwa
'Pag narinig ng parents ninyo
Etong sabihin ninyo
Mommy, Daddy, nothing wrong
You also do this 'no!
Everybody will explain
Kainan lang 'to tsong
Simple and plain

CHORUS:

I love this game
I love this game
I love this game
Picnic, picnic
