Who will be my love  
My savior my guide  
When I cross the line of the no time  
The smell of dawn  
The chime of the knell  
Displacing my soul into the dark cage

What's the point of life when hate is everything  
What is the use of me when fear is getting me

In this form I cannot be whole  
In this life I can't survive  
Through my life time is passing by  
Now I see I cannot die  
Searching for source  
Of restorer of morphe  
I felt the breath of solitary whisper

You have got to fall  
On the bottom of life  
To be displaced into the dark cage
