No fire now, No smoke
Bloody fingers and I'm feeling soaked
Bad father gets Bad son
Bad everything Bad no one

Cuz I need the fire
And I need the smoke
My face in a smirk
'Cuz life is a joke
The sun seems to shine
On everyone I know
So why am I in the shadows
Cuz I choke

Life takes love
Breaks almost everyone
I've tasted the color of sunshine
Lives will destroy
Kill all the joy
I'm sorry but
I was just a boy

And I need the fire
And I need the smoke
My face in a smirk
'Cuz life is a joke
The sun seems to shine
On everyone I know
So why am I in the shadows
'Cuz I'm a joke

No fire now
Life takes somethin' away
Bloody fingers yet
I have nothin' to say
No diving gray?
Will take the pain away
Hope I make it clear
Hope I get free some day

'Cuz I need the fire

And I need the smoke
My face in a smirk
'Cuz life is a joke
The sun seems to shine
On everyone I know
So why am I in the shadows
Cuz I choke
