I'm on my way, I'm on my way.
I'm on my way too a place that doesn't exist.
And they're all stay, and they're all stay
cuz none you and them be sure you wont be missed.

Cuz I'm on weed so fuck all you squares
come face the madness with me, cuz i dont care
and smoke some weed, and dont have no fear.
You're God damn right Bitch, I don't even care.

So come on baby-bong it's just me and my song.
Breathe in and let it out, (It's goooooood) no doubt.
So come on baby-bong it's just me and my song.
Breathe in and let it out, (It's goooooood)
No doubt.

I'm on my way, I'm on my way.
I'm on my way too a place that doesn't exist.
And they're all stay, and they're all stay
cuz I don't give a fuck about you anyway.

Cuz I'm on weed so fuck all you squares
come face the madness with me, cuz i dont care
and smoke some weed, and dont have no fear.
You're God damn right Bitch, I don't even care.

So come on baby-bong it's just me and my song.
Breathe in and let it out, (It's goooooood) no doubt.
So come on baby-bong it's just me and my song.
Breathe in and let it out, (It's goooooood)
No doubt.

So come on baby-bong it's just me and my song.
Breathe in and let it out, no doubt.
So come on baby-bong it's just me and my song.
Breathe in and let it out, no doubt.
So come on baby-bong it's just me and my song.
Breathe in and let it out, no doubt.
So come on baby-bong it's just me and my song.
Breathe in and let it out, no doubt.

So come on baby-bong it's just me and my song.
Breathe in and let it out, (It's gooooooood) no doubt.
So come on baby-bong it's just me and my song.
Breathe in and let it out, (It's gooooooood)
No doubt.
