Innocence, it gets lost with every simple  
And through hell will I still try to make things better  
And the liars, as I try to hypnotize you  
For it all to seem like it was somewhere near you

Cause I don't wanna know  
Sad sad me  
And even if you show  
And then I'll leave you screaming  
Cause I don't wanna know  
Dead dead me (yeah-eah yeah)  
And even if you know  
I won't believe you're happy here

Cause it all just seems to break you  
And for everytime I try I can't get further

Cause I don't wanna know  
Sad sad me  
And even if you show  
And then I'll leave you screaming

Cause I don't wanna know  
Dead dead me (yeah-eah yeah)  
And even if you know  
I won't believe you're happy

So please scream my name  
I'll kill my spririt for fame  
So please scream my name  
I'll kill my spririt for fame  
for fame for fame for fame

Cause even if you show  
And then I'll leave you screaming

Cause I don't wanna know  
Sad sad me (yeah-eah yeah)  
And even if you know  
I won't believe you're happy here  
Sad sad me, dead dead me, sad sad me
