In a bar in San Francisco we are dancin' in the night

And her ruby lips are sayin': love me right now!

As she wrappes her arms around me

it all seemed to be alright

you are yesterday and gone while she's right here and now.

And I'm dancin' and dancin'
and givin' and livin' your mem'ry away

Now I'm ready to say: I am alive!
In the arms of a stranger my heart's out of danger
I am o.k.

Let the music play - I am alive
come on
I am alive!

In a way I'm glad it's over even though I'm feelin' blue

It was time for me to move into a town.
I will learn to live without you

and I know I'll make it through

'Cause our love was just a circus
I'll never be your clown!

And I'm dancin' and dancin'
and givin' and livin' your mem'ry away

...

And I'm dancin' and dancin'
and givin' and livin' your mem'ry away

...

Oh
I'm dancin' and dancin'
and givin' and livin' your mem'ry away

...
