(Verse 1)

Don't be shy I can see it in your eye
That you want a lil piece of the pie
And I can see that you want me bad
Got you feening over what you wish you had
So tonight, let me fulfill your fantasy
Sex, lust, me, you and privacy
When you step through the door
(Don't worry about a thing just drop your coat)
Cause I don't wanna waste no time
Boy you got me crazy, going outta my mind
Lets skip conversation let's get to it
(Cause ima late night freak, let me, let me prove it)

(Pre-Chorus)

But I don't mind of you want a little bit of foreplay
(foreplay)
Baby we can do it your way (your way)
Make your way over to me, let's get lost in these
sheets

(Chorus)

Yea, yea, it's 3 in the morning
Yea, yea, I'm kinda feeling lonely
Come on over give it to me cause I want it
Hurry up, Wait a minute, wait a minute hold up
Give it to me, give it to me, sho' nuff. Give it to me,
yea I like it, do
It ruff and put it on me baby, yea I can't get enough

(Verse 2)

Come to me, I can give you what you want
Baby, just as long as you don't put up a front
I can show you things you've never seen, bet I'll
have you coming back for
More of me
I'm hoping you gotta big appetite, to make my big
ego tonight
Sex me so good drive me outta my mind We can go all
night don't worry bout
The time

From the bed all the way down to the floor
Tell me when to stop unless your craving more

(Pre-Chorus & Chorus)

(Talking out chorus)
