(Verse 1)

I fell in love with you...
Now tell me what am I suppose to do...
Let me know if you feel the same way
Let me know if you think about me
Like I think about you, all day every single day
I know exactly how I feel
And the way I feel for you is real

(Pre-Chorus)

I don't wanna get down on my knees and beg you
please
Cause I don't wanna look like a fool
But if I have to take my pride and put it to the side
I'll do it all for you

(Chorus)

I don't have to be a doctor to make you feel good
I don't have to be a teacher to make sure you
understood
Exactly how I'm feeling, even though we just begun
I wanna be your only one

(Verse 2)

Tell them hoes to stop ringing your phone...
Let em know you gotta real man at home
I wanna show you some things
I wanna show you how a real mans
Suppose to do ya, when an amateur can't compete
Or do the same thing
If loving you is wrong
Then I don't wanna be right

(Pre - Chorus & Chorus)

(Talking on the phone)

Hey baby. We've been talking for a while now.
And I wanna know if you're feeling the same way that
I do
I'm ready to take it to the next level. And I'm not
talking sexually.

Iâ€™m just willing to do whatever it takes to show you
Iâ€™m foreal.

(Pre-Chorus)

I donâ€™t wanna get down on my knees and beg you
please
Cause I donâ€™t wanna look like a fool
But if I have to take my pride and put it to the side
Iâ€™ll do it all for you

(Chorus)
