(Verse 1)

The highest mountain couldn't stop me from getting
to my dreams
Even the worst things you could say couldn't even
stop me
From conquering what I want in life, I will always fight
For anything I want, even if I have to sacrifice

(Pre Chorus)

I'll do whatever it takes, to break the boundaries
I have no fear in my heart, so nothing scares me
I have the guts to do, whatever I wanna do
I'm not gonna stop, until I reach the top!

(Chorus)

I can do anything, nothings gonna stop me I'm
headed for the top of the
World

(Power in my hands, I'm taking over)
I'm climbing higher and higher, I'm beyond the
flame and I am the fire
Nothing can stop me, I'm heading for the top of the
world!

(Verse 2)

The sky is not the limit cause I'll fly beyond the stars
One day all of my dreams will come true, because I've
worked hard
Nobody can say, what I can, and cannot do
I'm in control of everything that I wanna pursue

(Pre Chorus)

I'll do whatever it takes, to break the boundaries
I have no fear in my heart, so nothing scares me
I have the guts to do, whatever I wanna do
I'm not gonna stop, until I reach the top!

(Bridge)

The sky is not the limit cause I'll fly beyond the stars
One day all of my dreams will come true, because I've
worked hard

Nobody can say, what I can, and cannot do
Iâ€™m in control of everything that I wanna pursue

(Chorus)

I can do anything, nothings gonna stop me Iâ€™m
headed for the top of the
World

(Power in my hands, Iâ€™m taking over)

Iâ€™m climbing higher and higher, Iâ€™m beyond the
flame and I am the fire

Nothing can stop me, Iâ€™m heading for the top of the
world!
