(Verse 1)

You cut into my soul like a knife
It hurt so bad I think I met death tonight
Sometimes it feels so good, but love can be
misunderstood
(It happens sometimes)
I think the poison is starting to set in (set it)
From your tainted love is starting to kill me (kill me)
Been on this long journey (journey)
Of love that keeps on hurting me
I guess I was too blind to see

(Chorus)

How you...
Took the greatest part of me (me)
Stole it like you was a theft (a theft)
And now Iâ€™m heartbroken and Iâ€™m torn into pieces
Because of you (you), because of you (you), because
of you (because of you)
Iâ€™m torn into pieces

(Verse 2)

This feeling is burning like a fever (like a fever)
I can feel the flames, they burning between us (the fire
is burning)
Adrenaline got my heart beat racing (got my heart beat
racing)
Your affection got my mind going crazy (Iâ€™m going
crazy)
I never knew love could be like this
I guess you thought you shot me down but your bullet
missed
(Your bullet missed)
Never again will I give my heart
To someone so heartless like you
(Youâ€™re so heartless)

(Chorus)

You took the greatest part of me (me)
Stole it like you was a theft (a theft)
And now Iâ€™m heartbroken and Iâ€™m torn into pieces

Because of you (you), because of you (you), because
of you(because of you)
IÂ'm torn into pieces
