Ohh till my money is gone girl
Club life and now I'm back on the grind
Because it's make money money
Take money money and so can spend em on you.

This coast is a wester camp
To have to kill these .. is a cryin shame
These kids .. blame

You can't hide, you can't hide that feel
About this point I must be clear
Talk right you need to share the tear

Check the waven you know the one from park
He was weaken and .. to taste the one and .. lips
He would fade away as soon as I ..use to workin ..
face away as .. straight up for a .. extra lips.

[Chorus:]

Don't you cry as I say bye bye not a single and never
